

The Selected Educational Trust Announces a New NextGen Seminar Opportunity!

NextGen

Thanks to a generous grant from ASD (Answering Service for Directors), the Selected Educational Trust is offering a very special opportunity exclusively to members of Selected.

The **NextGen Hosted Participant Opportunity** will allow one member in good standing under the age of 50 to attend the 2020 Selected NextGen Seminar at the St. Kitts Marriott Resort and The Royal Beach Casino, January 26-30, 2020. Previous NextGen Seminar participants are not eligible to apply, as this opportunity is to encourage a new participant. The winner will receive lodging, meeting registration fees—including the Welcome Reception/Dinner—for both the member and one member guest, plus a stipend of \$500 toward airfare.

To apply for this opportunity, please visit <https://smr.to/p62632>. Applicants must complete the online application form and submit an essay (500 words max.) describing their interest in and importance of attending this Seminar, as well as his/her plans for sharing the benefits of attending this Seminar with colleagues, co-workers, and other Selected members.
